International Society of Sugar Cane Technologists

Technologies for profitable cogeneration

This workshop considers cogeneration from both the engineering and processing perspectives of the factory.

A program has been compiled that, we hope, will address most of the issues that sugarcane technologists face when considering cogeneration options

International Society of Sugar Cane Technologists

The program

- Monday
 - Opening session
 - From project initiation to electricity production
 - Maximising cogeneration, minimising steam consumption – system design
 - Maximising cogeneration, minimising steam consumption – process technologies

International Society of Sugar Cane Technologists

- Tuesday
 - Supplementing the fuel supply – alternative fuels
 - Supplementing the fuel supply – handling trash
 - Boiler technology
 - Water management
 - Workshop dinner (8:00 pm, check ticket in back of name tag, changes before lunch today)
- Wednesday
 - Case studies & Closing session
 - Site visit to Condong Mill
- Thursday
 - Site visit to Rocky Point Mill & Green Power
 - Site visit to Carlton Brewhouse

International Society of Sugar Cane Technologists

Changes to published program

- Official opening – Mr Chris Connors, CEO NSW Sugar Milling Co-op
- Additional presentation for 2nd session this morning

International Society of Sugar Cane Technologists

Housekeeping

- In case of **FIRE ALARM**, follow directions of QUT Events (Jason or Anne-Maree) or hotel staff

Acknowledgements

- Dr Geoff Kent
- Jason & Anne-Maree (QUT events)

International Society of Sugar Cane Technologists

Sponsors

- The cost of conducting this workshop has been reduced significantly for delegates due to the very generous financial support of the following sponsors:
 - Sugar Research & Development Corporation
 - Norris Energy Crop Technology
 - NQEA
 - SEW Eurodrive
 - RCR Energy Systems
 - Sugar Research Ltd.

International Society of Sugar Cane Technologists

- The success of this workshop will be judged on your interaction
- It is a time to relate experiences and to learn from the experiences of others
- There will be plenty of opportunity to ask questions

Please enjoy the Gold Coast experience
